Description

Introducing the world's first *weld-free* and fully customisable boat range, engineered so every component can be installed at your dealership and tailored on the spot to suit your exact boating needs.

Choose from a variety of configurations—tiller steer, side console, or centre console—along with a wide selection of ready-to-fit options to build your ideal setup.

This is the only boat range that truly lets you *Craft Your Boat*, whether you customise it from day one or continue adding upgrades whenever you choose.

Each Alloycraft comes standard with a factory-fitted vinyl wrap for a premium finish straight out of the box.
