Description

Mercury® 5.7L V10 350 Verado® outboard continues the legendary Verado engine family's legacy of providing premium marine performance. With the strength of the industry's first V10 naturally aspirated powerhead, they deliver extraordinary power and capabilities so you can confidently explore beyond the horizon. Take command of the water with innovative SmartCraft® technologies and advanced digital controls that make boating effortless. Exceptionally smooth, quiet and refined, Verado outboards transform your boating experience.
